IARW and WFLO Elect New Officers at 2007 Annual Convention

ALEXANDRIA, VA, April 30, 2007 – New officers and directors of the International Association of Refrigerated Warehouses (IARW) and the World Food Logistics Organization (WFLO), an education and research foundation affiliated with IARW, were elected at the IARW-WFLO-IRTA Annual Convention in April 2007.

Ray Tarnowski (Philadelphia Warehousing & Cold Storage Company, Philadelphia, PA, USA) was elected as the 2007-08 Chairman of IARW.

Other new IARW officers elected for the coming year were Vice Chairman Michael Henningsen, Jr. (Henningsen Cold Storage Company, Hillsboro, Oregon, USA), and Treasurer Larry Laurin (Conestoga Cold Storage, Kitchener, Ontario, Canada).

New at-large members elected to the IARW Board of Directors include:

- Sal LaBruno (Hall's Warehouse Corporation, South Plainfield, New Jersey, USA)
- Gary Jones (Frozen Assets Properties, LLC, Chicago, Illinois, USA)

Two new IARW Chapter representatives were also elected to the Board, including:

- Dan Kline (Columbia Coldstor, Inc., Woodland, Washington, USA), representing the North Pacific Chapter

- Merle Lemmen (Atlas Cold Storage, Piedmont, South Carolina, USA), representing the North Atlantic Chapter

Bruce Jayne (Hall's Warehouse Corporation, South Plainfield, New Jersey, USA) was elected 2007-08 Chairman of WFLO.

Other new WFLO officers were also elected, including Vice Chairman Don Schoenl (Nordic Cold Storage, LLC, Atlanta, Georgia, USA), and Treasurer Derk Van Mackelenbergh (Eurofrigo B.V./Nichirei Corp., Rotterdam, Netherlands).

Other members of the WFLO Board of Governors elected at the meeting include:

- Mike McClendon (Richmond Cold Storage, Richmond, Virginia, USA)

- Tony Dizon (Koldstor Centre Philippines, Pasig City, Philippines)

- Hans van Leeuwen (Frigolanda Group, Dongen, The Netherlands)

IARW and WFLO provide extensive education, training opportunities, and resources to their member companies, helping to ensure that they are able to provide the best possible services to the food industry and their customers. Members of these organizations can be identified by the use of IARW and WFLO logos in their company promotions.
